

## PERSPEX® FLUORESCENT

PERSPEX®  
FROM LUCITE®

### Subtle transparent tints with an exciting fluorescent edge

Part of the innovative range of Perspex® from Lucite® solutions, Perspex® Fluorescent combines a delicate transparent tint sheet with a striking fluorescent edge which adds a contemporary touch to point of sale designs and displays.

#### Superb features

- Subtle transparent tints
- Striking fluorescent edge
- Exciting contemporary colours
- Superb cutting and fabrication
- Excellent aesthetics
- Ideal for in store displays and POS

In retail display every inch of floor space is precious and POP displays have to have something extra to attract attention. Perspex® luorescent offers designers a range of exciting new colours with a vivid fluorescent edge effect that will make any design stand out from the crowd.

The Perspex® Fluorescent adds a new dimension to interior signs and POS displays.
